Principle

before framing the economic calendar, I do not look at charts

before defining an intraweek reversal, I do not move below the 4 hour

before identifying intraday framework, I do not move below the 1 hour

before approaching a relevant volatility driver, I do not consider an entry

OI up delta down : 숏 증가

OI up delta up : 롱 증가

OI down delta down : 롱 감소

OI down delta up : 숏 감소
